

Desmond Poon

Student at ITE

About Me

I am an IT Application Development student with a strong foundation in web and application technologies. I have hands-on experience with programming languages including Python, JavaScript, HTML, CSS, and PHP, as well as working with content management systems such as WordPress and local server environments like XAMPP. In addition, I am familiar with design tools including Adobe XD, Illustrator, and Photoshop, allowing me to bridge both development and design workflows. I am highly motivated, detail-oriented, and eager to continuously learn and grow within the IT and software development field.
